

## School attendance of your child

Dear legal guardians and parents,

You have come to Minden. I want to give you a warm welcome. In Germany all children between 6 and 18 years must go to school.

Please inform me if your child has already registered to one of the schools or will register. You can either call me or write me an email. Please refer to the letter you received and see the deadline when to respond.

If you didn't register your child in a school, you would need to do it **immediately**. Please write me the name of the school as soon as you register your child.

The Schools in Minden are:
